## Vacation School Has More Than 100 Attending Daily

The Canal Point Vacation Bible School is having a very good year. Over one hundred are now enrolled in the school which meets Monday thru Friday through August 30. Plans for a Parent's Night and Commencement following the school are in the making. The community-wide school is sponsored by the Canal Point Baptist and Methodist Churches.

The General Superintendent of the School, Rev. William T. Blair, minister to the Methodist Church, heads a faculty made up of four Departmental Superintendents: Mrs. William E. Johnson, Beginners; Mrs. Joe Edenfield, Primary; Nellie Latham, Junior; and Mrs. Charles Maxson, Intermediate Department. Mrs. Johnson has as her helpers Miriam Blair, Myrtice Calhoun, Bonnie Miller, and Dorothy Buchanan. Mrs. Edenfield's helpers are Betty Jean Wetherington, Venera Weeks, Mrs. Otto Coleman, Mary Helen Hooks, Betty Ann Sears, and Mrs. O. H. Chastaine are assisting Nellie Latham. Lois Jones is working in the Intermediate Department with Mrs. Maxson. The Junior/Intermediate Pianist is Dellona Jones. Mrs. Frank Wilson is in charge of the Girls' handwork; James McCall is assisting Mr. Blair in Boys' Handwork. The Secretary-treasurer, Betty Jean Woodyard, reports a steady increase in attendance. Juanita Harlow is taking care of the pre-school age children of the teachers.

The school begins every morning with a processional into the churches at 9 A. M. Beginners and Primaries meet at the Methodist Church, while Juniors and Intermediates gather at the Baptist Church. For the children living between Port Mayaca and Canal Point, truck transportation is furnished every morning at 8:30 by D. L. Hooks and J. D. Pope.

## Mrs. Lence Back As Principal Of Canal Point School

Last spring Mrs. Wilma Lence resigned as principal of Canal Point school but at the request of the county school board she has consented to take the position for another term and will be at the head of the Canal Point school when it opens next month. She has an enviable reputation as an outstanding instructor in Palm Beach county schools and local patrons will be happy to know that she has been reconsidered.

Carl Thompson, former coach at Belle Glade, who recently returned from service in Uncle Sam's navy, has been named principal of the West Gate school. D. D. Caudill will again be at the head of Pahokee schools and Frank Hobson will be principal at Belle Glade. J. B. Cox has been named county film librarian. He is a former principal of Canal Point school.

Doreen Cook will be clerical assistant in Mr. Hobson's office in Belle Glade and Letta Kautz will hold a like position in the office of Mr. Caudill at Pahokee.

## Dulany Wants Help On Harbor Brief

John Dulany is preparing a brief to be presented to the U. S. Engineers at the October meeting in Pahokee when that group will hear Pahokee's request for a harbor. Mr. Dulany has sent out letters to potential users of the harbor and is anxious that answers be sent in immediately in order that he can prepare the all-important brief.

The brief, as prepared by Mr. Dulany who is unusually well informed on the harbor project, will set out complete reasons why a harbor should be established by the Engineers at Pahokee. Mr. Dulany will welcome any assistance that you as a citizen can give him.

## New Pharmacist Now In Canal Point

The Canal Point drug store operated by the Carter-Geiger Drug company now has a full-time registered pharmacist in charge of the prescription department. Hoy B. Miller, former owner of the store, remained with the new concern as president until they secured a new man. Messrs. Carter and Geiger feel they are particularly fortunate in securing Ralph Howard who has been a registered man for many years.

Mr. Howard is temporarily located at the Barrett rooming house in Canal Point but is anxious to find a house in which to live. He comes to Canal Point from Hollywood and Fort Lauderdale where he was employed for several years by one of Florida's leading drug concerns—Breedings. Just as soon as he can find a house in Canal Point he will bring Mrs. Howard here to live. Mr. Howard served in the navy during the recent war.

### MEN'S BIBLE CLASS

The attendance of the Pahokee Men's Bible Class is beginning to take on the appearance of mid-season proportion, with many returning from their vacations. Additions in membership continue, bringing the goal of 200 closer. This Sunday, the largest attendance yet is expected to greet T. E. Bush, blind pianist and song leader, of the revival, whose special program of words and music will be received with much delight. The Class quarter, Rev. C. A. Moberg will present. Mr. Bush, L. Jaudon will preside. A most cordial invitation is extended to all interested.

### HOME FROM GEORGIA

Mr. and Mrs. Henry Barwick and family have returned to their home in Pahokee after spending the summer in Thomasville and Bremen, Ga. Mr. Barwick is one of the Lake Region's produce buyers.

Mr. and Mrs. Grady Boynton and daughter, Mrs. J. R. Faulk were recent visitors in Ochokechee, Ga. Mrs. Faulk remained for a month's visit with Mr. and Mrs. Max Beverly and the Boyntons have returned home.

A. M. Pugh left this week for Memphis, Tenn., where he will attend to business for several days.

## Plans Being Made To Present Data To Engineers On Pahokee Harbor Project

July 24, 1946

His Honor, The Mayor  
Pahokee, Florida  
Dear Sir:

This office has been assigned the duty of preparing a preliminary examination report, authorized by an item in the River and Harbor Act approved 2 March 1945, on "Channel to Pahokee, on Lake Okechobee Florida."

In connection with the investigation, it is tentatively planned to hold a public hearing in Pahokee on 9 October 1946, at 1 p. m., Eastern Standard Time. It would be appreciated if you would arrange for a suitable room in which to hold the hearing and advise me of the name and address as soon as possible. In addition, it would be very helpful if you would advise me in general as to the extent and character of improvement desired, and the names and address of persons and organizations interested in the improvement.

I have been informed by Congressman Rogers that Dr. A. V. Allison, and Messrs. Ben Herr, Ralph J. Blank, K. M. Throop, and Harry A. Johnston, are familiar with what is desired in the way of improvement and also with those interested in the improvement. I am writing letters to each of these gentlemen and to the Secretary of your Chamber of Commerce asking them also to furnish me a list of persons and organizations interested in the improvement.

I have a large number of hearings to hold during the next few months and it would be very helpful to me in maintaining my schedule if you could furnish the information requested not later than 15 August 1946. I assure you that your efforts and cooperation will be appreciated. You will, of course, be kept advised of the hearing.

Sincerely yours,  
BLASE NEMETH  
Major, Corps of Engineers  
Acting District Engineer.

August 14, 1946

Mr. John A. Dulany,  
Pahokee, Florida  
Dear John:

The council at the regular meeting accepted my recommendation for the preparation of an elaborate brief to be submitted at the hearing of the Corps of Engineers at the City Hall on Oct. 9, 1946.

Your offer to work up the required is gratefully accepted, and inasmuch as you are already familiar with the scope of the work, it will no doubt be most comprehensive.

Some additional authority was given me in the way of expense allowances, covering such items as stenographic services, postage, phone calls etc., and if you will just pass those on to me when due, I'll see that they are handled promptly.

I would suggest however that a complete file be kept for the city's record for a continuing reference to the projects in mind.

Cordially yours,  
T. C. Richardson, Mayor.

The two letters are self-explanatory. All interested parties are urged to submit all pertinent facts to Mr. Dulany at once and cooperate with him to the fullest. It may mean a safe harbor, sea wall and other items of much interest to the community as a whole.

T. C. Richardson, Mayor.

## Don't Buy Or Build Dwelling Now Housing Authority Warns

Because we are in the midst of as serious a real estate inflation as this country has ever seen, it is folly to buy or build a home in the present market, according to Miles Coleman, former Assistant Federal Housing Administrator.

"Don't build. Don't buy," Coleman declares in an article in the August issue of House Beautiful magazine, a publication which ordinarily encourages the construction of new homes.

Recognized as America's leading housing economist, Coleman hits straight from the shoulder in his advice to prospective home builders or buyers when he states in the article:

"It's strange for a home magazine to recommend this. But if it's the truth, we should not be afraid to say so. No other advice makes any sense now. Except under the direst necessity, stay out of the housing market. You can't win except on the shortest of deals, and you are almost certain to lose in the long run."

Coleman points out that any builder or buyer in the present market

only adds to the pressure on prices and that not only will they lose but they will be forcing others to lose.

"If you buy or build now, you face the grim outlook of losing in dollar value and quantity value," he declares. "Not only will you yourself lose, but you will be helping others to lose, too, for every buyer added to today's prices adds to the pressure on prices. Hole in where you are, if you possibly can, till the storm sweeps by."

"This is hard advice to take after four or five years of waiting and planning. It is particularly hard advice after the fair prospects we could glimpse a year and even less than a year ago. But the discouraging fact is now plain: we are in the midst of as serious a real estate inflation as the country has seen."

"Inflation—dangerous inflation—is here now. Watch, look, and stop. There is an old saying, 'The starving man all bread is good.' Today's building bread is bad. Be sure that you are starving before you take it."

## "Ford" Cochran New Police Chief Town Belle Glade

W. H. "Ford" Cochran, former resident of Pahokee and a former member of the Pahokee police department, is wearing a bright and shiny new badge designating him as chief of police in Belle Glade. The appointment was effective at 8 a. m. Monday of this week.

Chief Cochran has been a member to the Belle Glade department since October 6, 1945 when he went to work as a patrolman. When the new parking meters were installed Officer Cochran was placed in charge of them, checking them regularly and making the collections. Belle Glade now has 135 parking meters and during the first six months they were in operation they gathered in \$3,130.78 in nickels and pennies. The city plans to install 80 more meters as soon as they can be manufactured by the factory.

While the City of Belle Glade was realizing a handsome sum from legitimate parking the Crippled Children's fund also came in for a neat little sum from charges made for overparking. There is a "fine" of 25c for overtime parking and during the six months period this amounted to \$331.00 which has been sent directly to the Crippled Children's Fund.

Last Thursday morning the entire Belle Glade police force with the exception of Mr. Cochran handed in their resignations and quit. Mr. Cochran was named chief and the department was immediately reorganized. Former Chief J. G. Parrish and former Patrolman C. H. Carlton are not on the force any longer.

The force is made up now of the following: Chief Cochran, Patrolmen Frank Cline, Raymond Mock and Roy Howell. Mr. Cline is a former member of the Pahokee police department but was relieved of his job when Albert Gant was defeated for chief by Altmann Morgan.

In Pahokee and Canal Point Belle Glade's new chief is familiarly known as "Ford" Cochran, but, in Belle Glade he has garnered a new nickname. It is "Frog." Little, big, old and young, know and like the new chief and all of them call him "Frog." Stop some day and have him tell you how he happened to have a new nickname. He will enjoy telling you the story.

## Mrs. Pat Schoepel Is State Worker In Welfare Dept.

Mrs. Mildred Schoepel has been named visitor for the State Welfare Department and will work directly under District No. 10 office in West Palm Beach. Mrs. Schoepel will have office hours in Belle Glade and Pahokee on certain days of the week. Her first official visit will be today (Friday) at the City Hall in Pahokee. Her regular visiting day in Belle Glade will be Wednesday.

Mr. and Mrs. W. H. Kemp and children are spending two weeks with relatives in Valdosta and Sylvania, Ga.

## "Simplified" Spelling

It may be hard to spell some words right, but it's harder to spell them the way some folks think is an easier way. If you get what we mean.

And if you don't get it, cast your eye over the following passage from Linkon's "Getberg Adres" as translated into the spelling urged upon the American public by the Simplified Spelling Board and the Spelling Reform Association:

"Forskor and sevn yeezr agoe our faadherz braut forth on this kontinent a nue naeshun, konseived in liberti, and dedicated to dhe propoezishun that aul men ar kreated eekwal." Yes sir, they really recommend that sort of spelling.

Maybe it is simplified, but to us it doesn't seem new. Back in grade school the classroom dunce used to write "conker" for conquer, "comptishun" for competition, and "sware" for "swear." Now we find that he and the professors who want to simplify spelling are birds of a feather, and we don't know just what feather—dunce or genius.

Whichever it may be, we'll stick to the harder way of spelling because it is the easier way. We're not smart enough to learn in any reasonable time to be that simple. Meridian Star.

## Experiment Pays Off

The Citizen reported on Wednesday the taking of an 1,800-pound mud shark by Captain Ray Knopp, of the shark-fishing boat "Dusky." This giant fish, one of the largest of its kind ever taken in Key West waters, may mark the beginning of a new epoch for the local shark-fishing industry.

With power winches and other equipment the "Dusky" has been doing experimental fishing in 100 fathoms of water, while heretofore the depth for ordinary catches has been but 50 fathoms. If the experiments of the "Dusky" continue to prove successful, 100-fathom shark fishing will undoubtedly soon become the custom and such catches as that of last Wednesday common-place. Thus the industry will have an added source of supply, and thus Key West fishermen an added income.—Key West Citizen.

## Always Searching

Man seems destined to search for things. Before he's married he can't remember where he puts things. After he's married, he can't find where his wife put them.—Titusville Star-Advocate. And neither can she.—Sanford Herald.

Mrs. H. D. Fields, Jr., has returned to Miami after spending several days with her parents, Mr. and Mrs. B. B. Justice, in Pahokee. Mrs. Melvyn Pugh and children are in Auburndale where they are visiting her parents, Mr. and Mrs. Oscar Howard.

## Canal Point Pastor Gives Sermon Topic

The theme of the sermon by Rev. William T. Blair at the Canal Point Methodist Church on Sunday morning at 11 o'clock will be "The Road to Emmaus, U. S. A.", a treatment of the inspiration and presence of the risen Lord in every day of life's journey. In the evening, the sermon will be the minister's answer to the question, "Is Christianity practical, or are we fooling ourselves with something that cannot work?"

The Methodist Youth Fellowship, open to all young people between the ages of 12 and 23 inclusive, meets every night in the Methodist parsonage. Mr. and Mrs. Blair are the sponsors of the group. Our membership is growing rapidly and the young folks are unanimously in favor of the program that includes play, worship, discussion, fun, fellowship, and refreshments. The meetings start at 8:30 each Monday evening.

A Junior Fellowship for boys and girls under 12 will begin next month. Meeting will take place after school and the minister will drive home those pupils who have to travel on the school bus. Plans are also being made for a Young Adult group.

## New Station And Cafe For Canal Point

Paul Sasser has leased from C. J. Hendry the handsome \$26,000 two-story concrete block building now nearing completion at the tip of the triangle in the heart of Canal Point packing house district.

The building was constructed for Mr. Hendry by Don Hillier and Sons, local contractor, and is expected to be ready for occupancy the first of next month. The first floor has space for a filling station and a restaurant and the second floor has one apartment and a spacious dormitory which will be used as sleeping quarters for truck drivers.

Jack Phillips has subleased the restaurant from Mr. Sasser and is now preparing to open there around Sept. 1 a modern eating establishment to be known as the Triangle Restaurant. Mr. Phillips plans to serve regular meals, short orders and have ample parking space for drive-in curb service.

## PRIMARY CLASS PARTY

Mrs. Ueoba Caruthers entertained at her home on Wednesday afternoon of this week with a party for members of her primary class at the First Baptist Sunday school. Games were played and refreshments of ice cream, cake and punch were served.

Mr. and Mrs. M. F. George returned home this week from a month's vacation spent at Bradenton Beach.

## Cinematic Chatter

By Malcolm Millar

"Bette Davis Has Done It Again!", so goes a press story I have just finished reading . . . and Brother, that is the truth! Miss Davis really has triumphed in her picture to be screened at the Prince Theatre Sunday-Monday, August 25-26, which is "Stolen Life."

Glen Ford drew the lot of being Bette's leading man, with Walter Brennan and Charles Ruggles in there pitching a great game, in one of the most interesting stories of its kind that has yet reached our screen.

In this unrelenting Miss Davis has the difficult stint of playing two parts, one herself and the other her dead sister. This impersonation is brought about because of the one sister's love for the husband of the dead girl. . . "Get it?" It's very interesting, I assure you.

For the Tuesday-Wednesday offering I see a double feature with "Tars and Spars" as the first show to be screened on the evening. This show stars Janet Blair and Alfred Drake, late singing star of the famous show "Oklahoma", now enjoying an extended run in New York. A third star in the picture is Marc Platt, recently of the United States Navy, and a comedian in his own right.

The entire piece is written around lines of lilting music, gay ensembles and hot rhythmic dancing numbers, preformed by a bevy of beautiful dancing girls.

On the same program comes "It All Came True", one of the most sinister dramas that Bogart has been seen in in some time. His leading lady in this piece is lovely Ann Sheridan, and the picture, which enjoyed one of the most popular runs of its era, has been re-issued by request of movie-men all over the country. I am sure you'll enjoy every moment of it.

Thursday-Friday brings "Tomorrow is Forever" which stars one of the cleverest trios of stage and screen stars to be placed in a drama in some time. The stars are Claudette Colbert, Orson Welles and George Brent and the performances these artists turn in will have you hanging right on the edge of your seat.

Saturday brings Buster Crabbe and his "side-kick" "Fuzzy" Al St. John in "Fuzzy Settles Down", which is not only a comedy but a rough and rowdy Westerner.

On the same bill comes "Pillow of Death" starring Lon Chaney, Brenda Joyce, with J. Edward Brophy, Rosalind Ivan, and Charles Russell in support. It is one of the most eerie tales of death, terror and adventure that Chaney has brought to the screen. I'm sure you'll live a harrowing one-hour-thirty minutes when you sit through it.

See you at the movies—Mal.

## Rams Will Train At Sarasota Camp

A meeting of candidates for the Belle Glade high school football team was called Tuesday by Coach W. H. Cook, who announced that about 30 of the players will leave Saturday for a two-weeks camp at Myakka State Park, near Sarasota.

The Rams trained there last fall and got in some good conditioning drills before the start of school.

Frank Hobson, Belle Glade principal, said that Elmer Lynn Cochran, a Marine veteran who played football with Coach Cook at Murray State Teachers College in Kentucky, will be the assistant coach here.

## Rep. Cowart Named Convention Prexy

The many friends of Rep. Cowart will be glad to learn of his recent election to the presidency of the Palm Beach County Singing Convention. It is hoped that a capacity congregation will be present this Sunday afternoon at two-thirty, First Baptist Church of Pahokee, to thus honor Brother Rep. who will be in the chair for his signal session of the convention.

A special program will be presented by T. E. Bush, blind pianist and song leader of the revival in progress at the Baptist church. His repertoire is wide and varied and will be heard with much interest. A cordial welcome awaits all.

## Blue Devils Go To Pre-Season Camp

Coach Clyde Alley and his Pahokee Blue Devil pigskin tobers are camped at Lake Osborn this week in a pre-season training camp. It looked dark for the youngsters last week when it was reported that there would be no pre-season camp because of a shortage of finances. At the last minute enough cash was raised to send them to camp. Assistant Coach X Lewell Garrison will arrive next week from Lebanon, Ky.

## B. F. Fears Purchases Cochran Building

The Christine Cochran building in Pahokee has been sold to B. F. Fears of Belle Glade. The building is now occupied by Sadie's Flower Shop, Rogers Music and a store room for the Collins Furniture store. Mr. Fears is one of Belle Glade's most successful merchants and will, in all probability, erect a new building on the site when ever materials are available.

## CAN YOU PUT THIS PUZZLE TOGETHER?

It forms the first letter  
of a Big Bargain for your Business

Here's a fascinating little puzzle. When properly assembled it forms the letter T—for telephone.

Now there's an instrument of progress which has grown so in value that the only puzzling thing about the telephone is how business ever managed to get along without it. Today there are twice as many telephones as there were 20 years ago—five times as many as there were 30 years ago! As telephone service has grown, so has your own business. More telephones—more customers—more business for you.

Not only in value and usefulness, but in cost, the telephone stands out as a real bargain. Consider that your telephone rate is less today than it was years ago. This record, this genuine achievement, is becoming more and more difficult to maintain. That's because the trend of rising costs confronting all businesses is increasing the cost of everything going into the furnishing of telephone service to you.

## Baptist Revival Is Well Attended

The revival in progress at the First Baptist Church of Pahokee is proceeding much in line as was anticipated. The attendance, thanks to the fine interest on the part of the members, prospective members and visitors has been, and undoubtedly will continue to be of capacity proportions.

The musical program of T. E. Bush, blind pianist and song leader and his two chorus choirs nearing the hundred mark, is of the highest order. Each night at 7:45, the Junior and Intermediate-Young People groups meet with Brother Bush and Betty Speer, respectively.

All are invited, regardless of denominational affiliation. One of the inspiring contributions of the revival is the "Illuminated Cross" solo by the song leader, presented nightly. Rev. C. A. Moberg, pastor of the church, is doing the preaching. A most cordial invitation is extended to all to attend. The services begin at 8:15.

## Walker Sets Pace For Insurance In State Of Florida

R. B. "Tilly" Walker, New York Life insurance representative of Hollywood, Fla., received notice last week that he led the state of Florida in production of business for the fiscal year of 1945-46 ending June 1. His company also notified him that he has again won honors as one of the top 200 producers among New York Life representatives in the United States and Canada.

At a meeting of the state officers of the Florida association of life underwriters held in Ocala two weeks ago Mr. Walker was elected national committeeman from Florida to the national conventions for the next three years. The conventions are to be held in Cleveland, Boston, and Los Angeles, respectively, and Mr. Walker will represent all life underwriters in Florida.

As a member of the Top Producers club, made up of the 200 leading New York Life underwriters in the United States and Canada, Mr. Walker has been invited to attend their convention at Manoir Richelieu at Murray Bay, Canada, on the St. Lawrence river, the first week in September. This is an annual affair held at some famous resort with all expenses paid by the company.

Mr. Walker extends sincere thanks to his Glades friends for helping him win this high honor.

### BOOKS FOR RURAL KIDDIES

The American Legion Auxiliary fund for the library of children's books of the General Extension Division of the University of Florida will be enlarged materially during the coming year according to Mrs. A. J. Ryan, Auxiliary president. The books are provided for the benefit of children in rural areas where library facilities are limited. They are delivered through rural schools at no cost other than transportation.

## Terminal Leave Pay Instructions

Following is information, Rules, and regulations favoring the filing of applications and where they should be mailed, of the Terminal leave bill for Veterans.

1. Application blanks, and instructions will be printed in fan-fold fashion like income tax blanks, perforated, with application detachable.

2. Forms will be available at the 44,000 post offices. Veterans who have guardians or conservators, and dependents of those who died since discharge, may benefit; but

special applications must be requested in writing by the guardian of the incompetent, or the spouse, child, or parent of the deceased.

3. The application must be accompanied by the applicant's original discharge certificate, or a photostatic or certified copy thereof. Honorable discharge certificate, certificate of separation, or special honorable discharge certificate ONLY will be acceptable. Certificates in lieu of lost or destroyed certificate may be used.

4. Applicants must submit applications typewritten, or printed in ink, and sworn to before a Notary Public by September 4, 1947.

5. Only service which counts is enlisted service which has terminated and for which discharge certificates have been issued.

6. Applicants must have served in Army, Navy, Marine Corps, or Coast Guard only. Active duty time by a woman in Waves, Spars, Marine Corps, or WAC after 1 July 1943 will be counted. Officers who were former enlisted men may apply.

7. Maximum limit for payment will be 120 days earned leave time for enlisted men or women for service between 8 September 1939 and 1 September 1946. All payments will be computed at the grade attained at time of last discharge, and will be paid by branch of service from which last discharge was obtained. Maximum for officers will be 120 days minus terminal leave time for which officers terminal leave has been paid.

8. Allowed time will be 2 1/2 days leave for each 30 days of service, or 30 days per year. Fractions will be allowed on same basis. Regular leave, Emergency leave, time taken over leave granted, time AWOL, and time spent in guardhouse as a result of court-martial sentence will be deducted from total service time before computation.

9. Application by former members will be sent to: FOR THE ARMY: Finance Officer, U. S. Army, for the state or area in which discharge from service occurred. (A List of these offices will be furnished as soon as corrected and verified.) FOR THE NAVY: U. S. Navy Terminal Leave Disbursing Office, Great Lakes, Ill. FOR THE MARINE CORPS: Director of Personnel, Terminal Leave Division, Headquarters U. S. Marine Corps, Washington 25, D. C. FOR THE COAST GUARD: Terminal Leave Unit, U. S. Coast Guard, Washington 25, D. C.

10. Information on "request for applications by next of kin" will be supplied at the Veterans Service Office.

## Practice Plans Made For Band

Bandmaster Robert O. Lampi met with members of the Pahokee High School Band at the high school Monday morning to get pre-season band practice plans underway.

Forty students re-enrolled in the band and approximately 20 beginners made application to try out for playing positions in the Pahokee band which for the past four years has received top ranking for its class in the state.

Mr. Lampi announces that the band still has a sousaphone available to students who wish to try out. Joan McLarty has been appointed drum major of the band for the coming season with Joan Wilson and Phyllis Belk assisting as majorettes.

## Wiley Howell Has Birthday Party

Mrs. A. Q. Howell entertained at her home in Canal Point Friday with a party honoring her son, Wiley, on his eleventh birthday anniversary. Games were played and Hal Rosenberg won first prize in a contest. The hostess was assisted by Mrs. Clara Maurer in the entertaining and the serving of refreshments of ice cream and cake.

Guests included John Williams, Jeanne Platt, Hal Rosenberg, Sonny Hooks, Patry Maurer, Norma Coleman, Lawrence Coleman, Fay Sims, Jack Sims, Franklin Howell and Eugene Buchanan.

## Church Of God Bible School Was Pronounced Success

The Vacation Bible School conducted at the Pahokee Church of God under the direction of Mrs. J. M. Gresham, assisted by Rev. J. M. Gresham, was brought to a successful conclusion Friday with a wiener roast and party at the city park in the afternoon followed by commencement exercises at the church in the evening.

An attendance contest was conducted at the school by red and blue teams, and members of the losing blue team acted as hosts at the party. The enrollment at the school totaled 125 pupils and the highest attendance on a single day was 118.

Guest speaker at the commencement exercises was Rev. Harria, district pastor of the Church of God, Okesechoee District, who gave a talk on the value of Bible school work. Each class presented a number on the program and had on display many exhibits of handicraft including such interesting items as swings for the church grounds, art baskets, paper flowers, coat hangers, pot holders, aprons, Biblical booklets and embroidered Biblical cards.

Also taking part in the program were members of the Church of God singing school which was conducted by Rev. Jimmy Odum of Belle Glade, and came to an end last week after a ten-week period of instruction. Group singing was featured in this part of the program. Mrs. Lily-Chance was presented with a handsome pen and pencil set for winning first prize in the singing school contest with Mrs. Dolores Upthegrove and Miss Erma Durrance runners-up.

The program was concluded with the showing of a motion picture, "Thy Will Be Done." During the showing of the picture the children sang hymns as the words were projected on the screen.

Department heads of the Bible school included Mrs. J. Haymons, assisted by Mrs. J. R. Miller, nursery; Mrs. Thelma Thompson, assisted by Mrs. Joe Waddell, primary; Miss Erma Durrance and Mrs. Dolores Upthegrove, junior, and Mrs. J. T. Chance, intermediate.

## Aldermans Hurt In Auto Mishap

Mr. and Mrs. L. G. Alderman both received serious injuries when their car turned over near Bunnell, Fla., last week when it was crowded off the road while they were attempting to pass a truck.

Mr. and Mrs. Alderman and son, Tripp, were on their way to Hendersonville, N. C., and were being accompanied as far as Jacksonville by Mrs. G. M. Grimes and Miss Nancy Stevens. The car was almost totally wrecked in the accident. Mrs. Alderman received a minor skull fracture and severe bruises. Two vertebrae in Mr. Alderman's neck were fractured.

After a cast was put around his neck, Mr. Alderman was able to return to Pahokee Saturday with W. A. Stevens and Joe Alderman who drove up to get him. Mrs. Alderman, however, will have to remain in the hospital at Daytona Beach for another week or two before returning. Mrs. Grimes and Miss Stevens were able to continue their journey on to Jacksonville.

## Frasure - Gray

Mrs. Lillian Weathers Grey and Hugh Frasure, both of Pahokee, were married on Saturday, Aug. 3, at the home of the bride's brother-in-law and sister, Mr. and Mrs. Bobby Shackford in Pahokee. Vows for the double ring ceremony were read by W. J. Larrimore, in the presence of immediate members of the two families and friends.

The bride wore a light blue wool gabardine suit with black accessories.

Mr. Frasure is employed at Gene's Barber Shop. At present the couple are making their home in the Pahokee Hotel.

Charles Howard and Eugenie Thompson have returned to Sumterville, Fla., after a month's visit with Mr. and Mrs. R. D. Durrance in Pahokee.

Mr. and Mrs. Harris Folds and sons have returned to Sarasota after a visit of several days with her parents, Mr. and Mrs. H. J. Clause, in Pahokee.
